LEGAL SERVICES

## Who are We

***We are dedicated personally to you providing the solution you and your business deserves!***

## Our Services

INVICTA employs and hires lawyers and economists at all times, based on its projects and contractual needs. Our staff is qualified in legal research, drafting of laws and policies in the agricultural, energy, health and other sectors of work, by providing outsource service, to private companies and government.

INVICTA is a consultancy company offering full legal services and business counselling, ensuring that every client gets a unique individual attention, resulting in a quick and cost-effective solution.

In our daily work we take pride in what we do. For over ten years and especially after its establishment as corporation, our attorneys and consultants have been providing exceptional legal and business consultancy, research, court representation and other legal services, to individuals and companies in Kosovo and region wide.

Composed of both local and international staff that is dedicated and professional, we are ready to assist you and your business in these dynamic times by communicating complex issues in a simple and concise manner, in finding the right solution you deserve.

Our legal team is able to provide services in Albanian, English, Serbian and Macedonian languages.

Through a combined practice in legal and commercial fields, we provide a distinct advantage to our clients in reaching their individual and business

### **Our additional services include:**

LEGAL SERVICES

## What are our fees?

Depending on the size of your company/agency, INVICTA offers various packages to our clients. The exact fees on our services depend on:

1. Type and number of services chosen by the client;
2. Period of provision of services;
3. Work load, including whether any translation is required, necessary travel, court representation, and so on.

***We are confident that Invicta will prove to be the quickest, most cost-effective and high quality solution for you and your agency.***
